SENATE BILL No. 193

DIGEST OF INTRODUCED BILL

Citations Affected: P.L.96-2006, SECTION 2.

Synopsis: Comprehensive care bed moratorium extension. Extends the moratorium on new comprehensive care beds until June 30, 2008.

Effective: Upon passage.

Miller

January 8, 2007, read first time and referred to Committee on Health and Provider Services.

y

First Regular Session 115th General Assembly (2007)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in this style type, and deletions will appear in this style type.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in this style type. Also, the word NEW will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in this style type or this style type reconciles conflicts between statutes enacted by the 2006 Regular Session of the General Assembly.

SENATE BILL No. 193

A BILL FOR AN ACT concerning health.

Be it enacted by the General Assembly of the State of Indiana:

	4		
		7	
		4	J
	`		

SECTION 1. P.L.96-2006, SECTION 2, IS AMENDED TO READ
AS FOLLOWS [EFFECTIVE UPON PASSAGE]: SECTION 2. (a) As
used in this SECTION, "comprehensive care bed" means a bed that:

- (1) is licensed or is to be licensed under IC 16-28-2;
 - (2) functions as a bed licensed under IC 16-28-2; or
 - (3) is subject to IC 16-28.

The term does not include a comprehensive care bed that will be used solely to provide specialized services and that is subject to IC 16-29.

- (b) This SECTION does not apply to the following:
 - (1) A hospital licensed under IC 16-21-2 that in accordance with IC 16-29-3-1, as amended by this act, converts not more than:
 - (A) thirty (30) acute care beds to skilled care comprehensive long term care beds; and
 - (B) an additional twenty (20) acute care beds to either intermediate care comprehensive long term care beds or skilled care comprehensive long term care beds;

that are to be certified for participation in a state or federal reimbursement program, including a program under Title XVIII

Medicaid program, if those beds will function essentially as beds licensed under IC 16-28. (2) A health facility licensed or to be licensed under IC 16-28 that is under development on June 30, 2006, to add, construct, or convert comprehensive care beds. In determining whether a health facility is under development on June 30, 2006, the state department shall consider: (A) whether: (i) architectural plans have been completed; (ii) funding has been received; (iii) zoning requirements have been met; and (iv) construction plans for the project have been approved by the state department and the division of fire and building safety; and (B) any other evidence that the state department determines is an indication that the health facility is under development. (c) Comprehensive care beds may not be added or constructed in Indiana. (d) Residential beds licensed under IC 16-28-2 and unlicensed beds may not be converted to comprehensive care beds. (e) The Indiana health facilities council may not recommend and the state department of health may not approve the certification of new or	1	of the Social Security Act (42 U.S.C. 1395 et seq.) or the state	
4 (2) A health facility licensed or to be licensed under IC 16-28 that 5 is under development on June 30, 2006, to add, construct, or 6 convert comprehensive care beds. In determining whether a 7 health facility is under development on June 30, 2006, the state 8 department shall consider: 9 (A) whether: 10 (i) architectural plans have been completed; 11 (ii) funding has been received; 12 (iii) zoning requirements have been met; and 13 (iv) construction plans for the project have been approved 14 by the state department and the division of fire and building 15 safety; and 16 (B) any other evidence that the state department determines is 17 an indication that the health facility is under development. 18 (c) Comprehensive care beds may not be added or constructed in 19 Indiana. 20 (d) Residential beds licensed under IC 16-28-2 and unlicensed beds 21 may not be converted to comprehensive care beds. 22 (e) The Indiana health facilities council may not recommend and the 23 state department of health may not approve the certification of new or	2	Medicaid program, if those beds will function essentially as beds
